party in the park!

JULY 2019

Food Fair Terms & Conditions

The Food Fair at Party in the Park 2019 will be located in the parking lot area between Mill Street and Young Road. This area gives more flexibility for power as well as space for vehicles to maneuver. A limited number of 110v power outlets will be available.

The Food Fair will operate as a separately managed event within this year's Party in the Park. Management will be coordinated by Shannon Ross within parameters outlined by the Party in the Park organizing committee and the Downtown Chilliwack BIA.

In the past there have been a number of complaints about loud generators in the Food Fair area. Unfortunately with limited power options, generators are unavoidable. We do however, ask that anyone bringing generators please be mindful of the noise level of their machine. Any generator deemed too loud and interfering with the event may be asked to shut down.
